

How to join an RPL Online Event

1. Click the link or copy and paste it into your web browser
2. Select the middle option — Continue on this Browser

3. Type in the name you'd like others to see
4. Click Join Now

For Mac Users:

Teams is not supported in Safari so you will either need to use Chrome or Firefox, or download the Teams App (see mobile instructions).

How to join an RPL Online Event from a Mobile Device

1. Click the link or copy and paste it into your web browser
2. To join us on a mobile device you'll have to download the Teams App. Tap Get Teams to download it (or Join Meeting if you already have the app downloaded).
3. You'll be taken to your device's App store. Tap Get to download the app (it's free).
4. Once the app is downloaded, it will open automatically to your event/meeting.
5. Select Join as a Guest to enter the event.
